

ABOUT US

Glorex, manufactured by Thai Hoa ID.,JSC is the leading cleanroom Nitrile glove brand in Vietnam meeting the high standards of the domestic and international markets. We confidently embrace Malaysia's latest technology and manufacturing lines, bringing high-quality cleanroom nitrile gloves to meet the needs of various industries.

Originating from the reality in Vietnam, most businesses with cleanroom systems import nitrile gloves as there is currently no reliable domestic factory supplying them. Glorex aims to become a viable alternative with better quality and cost-effectiveness.

WHY CHOOSE US?

TOP QUALITY

Glorex is the exclusive company in Vietnam that provides high-quality clean room gloves manufactured by a closed system from regular products to refined products

OPTIMAL COST

Glorex promises to be the supplier with the best historical cost on the market, offering significant discounts and adaptable pricing policies

TECHNOLOGY

Glorex is the exclusive company in Vietnam that has clean room gloves manufactured by a closed system from regular products to refined products. Glorex commits to applying the latest technologies in Malaysia in the manufacturing operation of cleanroom gloves which has automation, and data connection to establish production processes. We have ability of producing millions of pairs of the best cleanroom nitrile gloves, assuring maximum safety for users.
